Accelerating and Rescaling Transitions to Sustainability

LETS PLAY!

Niki Frantzeskaki and Markus Egermann
Many possibilities, many ideas, many initiatives at play

Imagine a future city, a sustainable livable city, what would you like to see happening in it?
five ways

to accelerate sustainability transitions in your city-regions

WHICH WAY TO GO?

Yes, go for it!

No way!

Not sure, park it!
GROW BIGGER?
THE MORE THE MERRIER?
JOINING FORCES?

Who runs this city?
BECOMING THE NEW NORMAL?
RIDING THE WAVES OF CHANGE?

opportunity

timing

game changer
How lessons from these initiatives can be drawn for broader transitions to sustainable low-carbon societies within Europe?
